

2022 Energy Legislative Summit

Hispanics In Energy

May 18-19 - Washington, D.C.

ENERGY ECONOMIC OPPORTUNITIES FOR HISPANIC AMERICANS

The **2022 Energy Legislative Summit** is designed to engage national leaders and strategic partners in discussions and shaping solutions for increasing business, jobs, and corporate participation for Hispanics in America's \$3 trillion energy industry. Hispanics comprise 18% of the United States population, over 62 million people, and have a GDP of \$2.8 trillion. They also enjoy the highest labor force participation rate and are the fastest-growing business sector. Hispanics In Energy is grateful to our policymakers, government officials, corporate executives, and vital partners for supporting this mission.
